

Dear Kids Club Families,

We have some exciting news to share about this summer's Kids Club program!

Due to paving and construction at Nab Elementary School, we will be moving our summer program to Abbot Elementary School. The safety of your children is always our top priority, and this move ensures we can continue providing the fun, engaging experience you expect — just in a new setting!

Rest assured, it's the same great program with all the same activities your kids know and love — just a different address. We're actually really excited about this change and everything the new location has to offer!

One of the highlights we're looking forward to is being able to walk up to the Recreation Department to use the program room, as well as enjoying some fresh air on the Town Common. It's a wonderful opportunity for the kids to get outside and explore their community.

As for swim lessons and our Friday Beach Days at Edwards Beach, transportation will be provided from Abbot Elementary down to Edwards Beach, so everything will run smoothly as always.

Here's a quick summary of what to know:

-  New Location: Abbot Elementary School
-  Swim lessons & Fun Friday Beach Days still at Edwards Beach
-  Transportation to Edwards Beach will be provided
- Same program, same staff, same fun activities!

We are so grateful for your continued support and can't wait for an amazing summer. Please don't hesitate to reach out if you have any questions about the location change.
