# Tennis for Adults with Marcus Lewis

Westford Recreation partners with the Marcus Lewis Tennis Extension Program (MLTEP) to offer the highest quality tennis programming. The MLTEP, a non-profit that was formed by Marcus Lewis Tennis Club (MLTC), has provided high-level instruction to area communities for over 20 years. MLTEP instructors are specifically trained in contemporary methods of teaching and many have decades of experience. The non-profit MLTEP utilizes resources from the MLTC, however as a non-profit, the pricing is significantly lower than a commercial facility. With indoor facilities in Acton, MLTEP also provides Westford residents with year-round opportunities to play tennis.

To register, or to learn more about the MLTEP, contact [westford@marcuslewisenterprises.com](mailto:westford@marcuslewisenterprises.com).

## Quick Start Clinics with Marcus Lewis

Although there was a time when juniors learned with the same size equipment as adults, the modern tennis world took a different approach. Now juniors are instructed with lower compression balls, smaller racquets and even a smaller court for younger players. The result is faster improvement, longer rallies and greater success. The MLTC employs the most current teaching methods so that your child learns efficiently and has a great time doing it. Players should bring water, racquet, and sunscreen. *Westford Recreation partners with the Marcus Lewis Tennis Extension Program (MLTEP) to offer the highest quality instruction and programming.*

### RED Ball: Ages 5-7

Young players start with a red ball that is larger, slower, and lighter. The smaller court and lower net is scaled to size for these developing players which allows them to cover the court, hit more balls, and build confidence. At this level, young juniors develop their technique and learn simple tactics. Please bring water, racquet, and sunscreen.

## ORANGE Ball: Ages 8-10

**ORANGE** balls are the same size as a standard yellow ball but are lighter and bounce lower. Play is on a mid-sized court with a standard net, and juniors continue to build technique and tactical skills as well as confidence in their playing ability.

With Orange Ball, the emphasis is on learning basic grip, tennis strokes, boundaries, building fundamental skills, and scoring. Please bring water, racquet, and sunscreen.

## GREEN Ball: Ages 11+

As junior players grow and build their skills for strokes, they move to a full sized court. The green ball is slightly lighter and slower than a yellow ball which gives them more time to get to and return shots. More balls stay in play and the exchanges last longer.

For students who show potential to excel and have played enough to demonstrate forehand and backhand ground-strokes. Skills worked on will be advanced stroke skills and match strategy. Please bring water, racquet, and sunscreen.

## MIDDLE SCHOOL TENNIS TEAM HAS BEEN CANCELED.

### *Middle School Tennis Team*

This program is designed to emphasize player participation and to prepare kids for future high school play. Players need to have a basic knowledge of the game, as well as the ability to serve and rally.

Program runs Monday through Thursday. Players practice Monday and Thursday and have matches with players from Acton and Concord on Tuesday and Wednesday. The season will end with a bracket style tournament.

Players from Blanchard MS are welcome to sign up but we do not have daily transportation available to Stony Brook. Those players will need to arrange for their own regular transportation. Space is limited.
