Tennis for Squirts with Marcus Lewis

Players should bring water, racquet, and sunscreen. *Westford Parks & Recreation partners with the Marcus Lewis Tennis Extension Program (MLTEP) to offer the highest quality instruction and programming.*

Swim Test Requirements for Parks & Rec Summer Weekly Program Participants

It's easy! All tests will be scheduled on a weekly basis by program Site Directors during regular program hours.

Massachusetts General Law (M.G.L.) c. 111, §127A½, commonly referred to as “**Christian’s Law**”, states that all municipal programs must issue a swim assessment for children participating in the program. This refers to all children enrolled in Summer Beach Party, Kids Club, Destination Exploration, Ready, Set, Go!, and Leadership programs. Town of Westford Lifeguards will administer the assessment, in which the swimmer must obtain a level 3. This includes swimming 25 yards front crawl, 25 yards breast stroke, and treading water for a minute and a half. The lifeguards will determine the level of the individual swimmers. Swimmers must demonstrate the strokes with ease and may not touch the ground while swimming.

If the child does not reach a level 3, they may still swim, but will be required to wear a life preserver that is coast guard certified (provided by the program). Life preservers will not be required for scheduled swim lessons.

Participants who choose to use the paddleboards must be a level 3 swimmer and must also wear a life preserver while out on the water. In our Destination Exploration program, swimmers must reach a level 4 in order to use the raft.

For more information, call Westford Parks & Recreation at 978-692-5532.

Did you know that June 26th is Chocolate Pudding Day? Or that July 19th is Ice Cream Day? Celebrate these silly holidays and more with us this summer.

Kids Club, held at Nabnasset School, is designed to provide a safe and positive experience that encourages the social, emotional, and physical growth of your child at every level. We strive to provide a well-rounded, fun-filled, exciting summer adventure with opportunity for exploration and play for children 4-13 years of age.

At Kids Club, activities and events are planned around the weekly theme. Each week, there will be Pizza Tuesday, a big event on Wednesday that incorporates all age groups, field trips or carnival days every Thursday, and a trip to Edwards Beach every Friday. Throughout the days, Kids Club also offers arts and crafts, sports and games, archery, outdoor time, and more. Swim and tennis lessons are offered throughout the summer.

All activities are subject to change due to weather. Every day, children should pack a lunch, snack, water bottle, sneakers, bathing suit (for swim lessons or water play), towel, bug spray, and sunscreen. Complete information is available in our Summer Parent Handbook.

Kids Club is run by an amazing staff! Kids Club staff members love Kids Club and strive to make the summer great for each and every participant. Children are divided into groups based on age. Each group will have at least one senior counselor, (usually a senior in high school or college student ages 17 and older), and one or more junior counselors, (ages 15 and older). All Kids Club employees are CPR and First Aid certified. The safety and security of your children are the priority at all times.
